Email us at sales@webagent.co.uk for a friendly discussion about your needs or check out some answers to "Frequently Asked Questions" at www.webagent.co.uk/faq.html

STARTER PACKAGE – a great value website with an email address

Includes:

- Single page website with your logo, some pictures and a page of text – perfect as your first step onto the web
- Domain name registration and maintenance – so your webpage can be found at "www.your-website-name.co.uk"*
- An email address @ your-website-name.co.uk with spam filtering and webmail access
- Search engine submission so that people can find your site more easily on Google and other search engines

Cost: Free to set up, then add about £30 per year

BRONZE PACKAGE – a complete website and email service

Includes:

- A website with around half a dozen pages, with pictures and text – plenty of room to tell the world about your organisation
- A choice of website layouts and colours so you choose a look and feel that you like
- Domain name registration and maintenance – so you have your own “www.your-website-name.co.uk” website*
- Five separate email addresses @ your-website-name.co.uk with spam filtering and webmail access
- Search engine submission so that people can find your site more easily on Google and other search engines
- A contact form so that people can email you through a form on the website

Cost: About £100 to set up, then add about £60 per year.

SILVER PACKAGE – a website that you can update regularly and which comes with plenty of email addresses

Includes:

- Up to monthly updates to the text and pictures on your website – perfect if you want to keep your site up to date with new developments
- A website with around half a dozen pages, with pictures and text – plenty of room to tell the world about your organisation
- A choice of website layouts and colours so you choose a look and feel that you like
- Domain name registration and maintenance – so you have your own “www.your-website-name.co.uk” website*
- Ten separate email addresses @ your-website-name.co.uk with spam filtering and webmail access
- Search engine submission so that people can find your site more easily on Google and other search engines
- A contact form so that people can email you through a form on the website
